

AWS Activate Portfolio

for Funded and Self-Funded Startups

Build and grow with up to \$100,000 USD in AWS credits

AWS Activate Portfolio is a free program designed for startups and early stage entrepreneurs that provides AWS credits, AWS Support credits, training credits, exclusive offers, go-to-market support and more. These benefits are designed to give you the right mix of tools, resources and expert support to quickly get started on AWS and grow your business.

Explore the benefits of AWS Activate Portfolio

AWS Credits

Experiment, build, and grow with up to \$100,000 in AWS Cloud credits helping you get started at zero cost.

New! AWS Activate Console

Explore content recommended for you, including technical guidance for building on AWS, tools & resources, Activate exclusive offers, and details of your AWS credit awards.

Co-marketing

Dive into exclusive opportunities to showcase your startup at AWS events including AWS Summits and AWS re:Invent, and on the AWS Startups Blog.

Technical Support

Receive 24/7 access to technical support and architectural guidance from AWS Cloud support engineers with up to \$10,000 in AWS Business Support plan credits.

Exclusive Offers

Take advantage of special offers only available to AWS Activate members including discounts, free products, memberships, services and tools.

Training

Build your AWS Cloud skills and get hands-on practice with 80 free credits for self-paced labs. From machine learning, security, infrastructure, to application development, we've got you covered.

There's a reason the world's hottest and most successful startups use AWS: we're on a mission to help you succeed, from inception to IPO.

To apply for AWS Activate Portfolio, you must be a self-funded or funded startup (pre-seed, angel, seed or Series A), be affiliated with an AWS Activate Provider, have a company website and LinkedIn profile (applicant), and an AWS account. If you have previously received AWS credits from AWS Activate, you may not be eligible for additional AWS credits. Learn more [here](#).

AWS Activate and support credits are subject to the [AWS Promotional Credit Terms & Conditions](#).
