I, individually and on behalf of the Organization/Company specified below (if any), hereby authorize Amazon Web Services, Inc. and its affiliates, and their respective agents, employees, contractors, resellers, sub-licensees and assignees (collectively, "**AWS**") to reproduce, publish, distribute and/or translate, for marketing purposes, all or any part of the following items ("**Item(s)**"):

(a) my testimonials (written or recorded) and/or case studies regarding my use of AWS services provided by me to AWS (or recorded by AWS), any of which may be used (i) on websites operated by AWS, including but not limited to aws.amazon.com, and any subpages of such sites (collectively, the "**AWS Sites**"); (ii) on the AWS video repository on www.YouTube.com; and/or (iii) in commercial presentations;

(b) my name and the Organization/Company name and logo provided to AWS, to identify me and Organization/Company as a customer of AWS on the AWS Sites, in customer lists, presentations, and other marketing collateral (including in connection with other Items), in any language.

AWS must obtain written consent (which may be via email) from me or the Organization/Company prior to using any of the Items in any manner other than as described above. AWS will not make changes or alterations to the Item(s) in any way that substantially changes the content or meaning of the Item(s), and AWS will obtain my approval (which may be via email) on the final form of any testimonial, case study, or video testimonial.
