

WEDNESDAY, MAY 18												
NZST	AWST	AEST	Developer	Architect	Data Professional	Data Scientist	Systems Admin	InfoSec	Enthusiast	Startup Founder	Business Leader	
11:40-11:55	7:40-7:55	9:40 - 9:55	Studio Show Day One Welcome									
12:00-13:15	8:00-9:15	10:00-11:15	Day One Keynote									
13:15-13:30	9:15-9:30	11:15-11:30	Studio Show In Conversation									
13:30-14:00	9:30-10:00	11:30-12:00	Build beautiful, production-ready apps with AWS Amplify L200	10 unconventional tips for cloud architects L100	Reinvent your business for the future with AWS Analytics L100	How AWS supports organisations building responsible AI L100	Unleash your cloud operations team L200	Scaling security: Optimise for fast and secure delivery L200	Harnessing first-party data to unlock customer innovation L100	How smart startups use AWS programs to get ahead L100	Amazon's culture of innovation L100	
14:00-14:10	10:00-10:10	12:00-12:10	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	
14:15-14:45	10:15-10:45	12:15-12:45	Build real time application orchestration at scale L200	Making strategic cloud architecture decisions L100	The journey to becoming a data-driven organisation L100	Jumpstart the machine learning journey with Canva L200	Migrating to a well-architected landing zone L200	Scaling your environment securely with AWS Control Tower L200	Emerging technology to support a globally aging population L200	Does your startup need an Accelerator Program? L100	Invent customer products, services and experiences L100	
14:45-14:55	10:45-10:55	12:45-12:55	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	
15:00-15:30	11:00-11:30	13:00-13:30	Studio Show Diversity, Equity and Inclusion									
Partner Solutions	Partner Solutions	Partner Solutions	How to cut system noise and automate incident resolution with PagerDuty L300	How Village Roadshow scaled up for the release of Spiderman L100	Achieve greater LOB collaboration and improve agility through better decision-making L100	Modernise and migrate data platforms with Confluent and AWS L200	CrowdStrike & AWS: Embedded security for the cloud lifecycle L200	Better reliability with SLOs L100	Accelerate your hybrid cloud and the modern apps that rely on it L200	Solving business challenges with AI - powered by Intel on AWS L100	Cloud storage, your way - Featuring Amazon FSx for NetApp ONTAP L200	Modernise identity and enhance security with Okta and AWS L200
15:30-16:00	11:30-12:00	13:30-14:00										
16:00-16:30	12:00-12:30	14:00-14:30	Choose the right database for modern applications L200	End-to-end MLOps for architects L300	Scale machine learning to line of business professionals L200	Edge AI - Bringing ML to the edge with AWS AI services L200	Effective incident response in AWS L200	Effective security for modern applications L200	Going for gold with 5G L200	What's the future of the healthcare startup ecosystem? L100	A practical approach to Cloud cost optimisation L100	
16:30-16:40	12:30-12:40	14:30-14:40	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	
16:45-17:15	12:45-12:15	14:45-15:15	Create flexible APIs to unlock organisational agility L300	Global networks on AWS L300	Reducing time to insight with Data Manifold L200	Sustainability powered by AI and machine learning L200	Take control of your cloud spend L200	Real world ransom attacks in AWS and how to mitigate them L200	Eyes on Earth: An exciting time for space observation L200	How AI improves stroke detection and prevention L200	Modernisation acceleration with AWS L100	
17:15-17:25	13:15-13:25	15:15-15:25	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	
17:30-17:45	13:30-13:45	15:30-16:00	Studio Show Day One Live Demos									
18:00-18:30	14:00-14:30	16:00-16:30	Kick-start your ML journey: Get hands-on with AWS DeepRacer L200	Applying DevOps practices to SAP - CBA's journey L200			Optimising Microsoft Migrations to AWS L200					
18:30-18:40	14:30-14:40	16:30-16:40	Speaker Q&A	Speaker Q&A			Speaker Q&A					
18:45-19:15	14:45-15:15	16:45-17:15	Studio Show Day One Wrap									

			THURSDAY, MAY 19									
NZST	AWST	AEST	Developer	Architect	Data Professional	Data Scientist	Systems Admin	InfoSec	Enthusiast	Startup Founder		
11:40-11:55	7:40-7:55	9:40- 9:55	Studio Show Day Two Welcome									
12:00-13:00	8:00-9:00	10:00-11:00	Day Two Keynote									
13:00-13:15	9:00-9:15	11:00-11:15	Studio Show Talking Tech									
13:15-13:45	9:15-9:45	11:15-11:45	Build resilient microservices using fault-tolerant patterns L400	Roll out Kubernetes for hundreds of enterprise workloads L200	Governed sharing of data products on AWS L300	Reduce bushfire risks using machine learning at scale L300	Ready, steady, deploy! Operational readiness for the cloud L200	Security best practices the well-architected way L400	Dive deep into the Great Barrier Reef on AWS L300	The rise of computer vision in Agritech L200		
13:45-13:55	9:45-9:55	11:45-11:55	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A		
14:00-14:30	10:00-10:30	12:00-12:30	Build fast and safe using compliant application patterns L400	Reducing your blast radius with advanced resiliency patterns L300	Embed rich data insights with Amazon QuickSight L200	Sepsis detection using model ensembles on Amazon SageMaker L300	Auto & General's journey to faster deployment with GitOps L300	Managing identities and access across AWS accounts L300	Real-time churn prediction with AI powered contact centres L300	Build a strong security foundation for your startup L200		
14:30-14:40	10:30-10:40	12:30-12:40	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A		
14:45-15:15	10:45-11:15	12:45-13:15	Studio Show AWS Community									
15:15-15:45	11:15-11:45	13:15-13:45	Partner Solutions Modernise your applications with a low-code development platform From OutSystems L200	Partner Solutions Architecting analytics at scale with data engineering from Trifacta by Alteryx L300	Partner Solutions Optimise your total cost of ownership with AMD-based instances on Amazon EC2 L200	Three factors slowing down your hybrid cloud innovation L200	How Eftpos, Slalom, and AWS are changing the payments ecosystem in Australia through innovation L100	Developer-focused security: code to cloud, and back to code L200	Best practices for optimising cloud services L200	Designing secure protection environments with Veeam on AWS L200	VMware Cloud on AWS: Run and cost optimise traditional and modern applications L200	Strategies for effectively securing your cloud and preventing future attacks L200
15:45-16:15	11:45-12:15	13:45-14:15	Design event-driven integrations using Amazon EventBridge L300	Data lakes, lake houses, and data meshes: What, why and how? L300	Demystify data streaming on AWS L200	Unlock insights with intelligent document processing L300	An AWS storage SME's guide to deploy, migrate and scale faster L 200	Patch it up! Building a vulnerability management solution L300	Traffic signal optimisation with machine learning on AWS L300	Build, launch and scale your Web3 startup on AWS L200		
16:15-16:25	12:15-12:25	14:15-14:25	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A		
16:30-17:00	12:30-12:00	14:30-15:00	Studio Show Day Two Live Demos									
17:00-17:30	13:00-13:30	15:00-15:30	Run containerised apps on AWS Fargate with Windows or ARM L200	Advanced architecture patterns for AWS relational databases L300	Build intelligent solutions using Amazon OpenSearch service L300	MLOPS with Amazon SageMaker: Carsales' journey to scale AI L400	Enhancing observability of distributed applications on AWS L300	Application identity! Securing your applications using Amazon Cognito L400	Explore quantum computing for business using Amazon Braket L200	Rapidly build and deploy applications using AWS App Runner L300		
17:30-17:40	13:30-13:40	15:30-15:40	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A	Speaker Q&A		
17:45-18:00	13:45-14:00	15:45-16:00	Studio Show Day Two Wrap									
19:00-20:30	15:00-16:30	17:00-18:30	Studio Show Up Late
