

Proceso para obtener una cuenta de acceso al AWS Partner Central y al portal de entrenamiento.

Paso 1: Ingrese a la siguiente dirección:

<https://partnercentral.awspartner.com/APNSelfRegister> .

The screenshot shows a web browser window with the URL <https://partnercentral.awspartner.com/APNSelfRegister>. The page title is "AWS Partner Network registration". The main content area is titled "Register with AWS Partner Network" and contains the following sections:

- AWS Partner Network:** A paragraph explaining that the APN is a global program for AWS, focused on providing members with programmatic, technical, business, and go-to-market support. It mentions a vast network of software and professional service firms.
- AWS Partner Network Registration Video:** A video player showing the registration process.
- Questions? Visit APN Knowledge Base:** A link to the knowledge base.
- Register with AWS Partner Network (Steps):** A vertical list of three steps:
 - Step 1: Become a member (Join APN):** Tell us your business interests and register using your business email address.
 - Step 2: Company information:** Tell us about your company. Help us understand your company. Provide information about your company and the nature of your company's business.
 - Step 3: Register Company (Accept terms and conditions):** Register your company by accepting terms and conditions on behalf of your company.
- Let's get started:** A prominent blue button at the bottom of the registration steps.

Paso 2: Haga clic en el botón de **"Let's get started"**:

This image is a close-up of the registration steps from the previous screenshot, specifically focusing on Step 3: "Register Company". The "Let's get started" button is circled in orange, indicating it is the target for the next step. Below the button, there is a link: "Already have an APN Account? Sign In".
