aws partner network English

AWS Partner Network registration

### AWS Partner Network

The **AWS Partner Network (APN)** is the global Partner program for AWS. It is focused on providing members of the APN with programmatic, technical, business, and go-to-market support. When you register with APN, you will join a vast, high-growth network of software and professional service firms that offer a wide range of products and expertise to help customers take advantage of the AWS Cloud.

**Passo 7:** Após todo preenchido aparecerá a confirmação que está cadastrado com sucesso. Clicar em **“Go to Partner Central”** para acessar o portal e navegar também na TAB Training.

Welcome to AWS Partner Network

## Congratulations!

Thank you for registering into the AWS Partner Network (APN)!

Every organization has a different journey and path to success. Whether you are just beginning to build your AWS-based business or expanding it, there are APN programs available to help you grow and succeed. Make the most of the resources and programs available to you upon registration at no cost.

APN Navigate Foundations is your custom enablement program build to help establish your business on AWS and achieve you organization's goals with step-by-step guidance. Leverage a wide variety of APN resources to build your business and learn how to help customers design, build, and manage their workloads on AWS. Along the way you'll learn about other APN programs and benefits that unlock as you progress.

To learn more, Login to AWS Partner Network!
